

## ACTIVATE YOUR PROSPERITY

Covenant partnership is a Bible principle. When you enter into a partnership with this ministry and you give into the spreading of the Gospel, you activate a spiritual principle of sowing, reaping, and blessing in your own life. What you make room for, will make room for you. When you make room for the anointing; the anointing makes room for you! By blessing this ministry, you make room for God to bless you and provide for you. The Lord promises us that He sees and rewards every good thing we do, motivated by a pure heart. When you become financial partner with Global Vision Ministries, you will receive credit in heaven for the many souls saved and lives changed through this ministry!

When we Partner in ministry - standing with each other, believing for each other and supporting each other - miracles become commonplace. Our anointing combine and open doors that allow us each to do exceeding abundantly above all we could ask or think. Your ministry, no matter how great or small, becomes part of our ministry...and vice versa...so there's nothing the enemy can do to stop us!

Be a part of something BIG—make an eternal difference today as you bring the message of faith, power and deliverance to the world. Partner with Global Vision Ministries. Together, we can do far more than any of us could ever do alone!

## THE MINISTRY

Your commitment to helping Global Vision Ministries to touch more lives in our community, in our nation, and all around the world is sincerely appreciated.

Each year Global Vision Ministries continues to advance its mission of “Touch More Lives”. Through our programs “Prayer of The Day”, “Solution is Here” and Prayer Tele-Conference we have seen many lives changed for the better.

In particular “Prayer of The Day” has enjoyed great success in the past year. We receive letters, emails and phone calls every day from all nations around the world from people of all ages, race and languages sharing their pains, needs, prayer requests and testimonies as well.

The goal of Global Vision Ministries is to continue to make a difference in the life of as many people as we can touch. With the help of contributions from our partners such as you we will continue to see improvements in our mission and our calling (Touch More Lives).

Global Vision Ministries is a designated IRS section 501(c)3 organization under which your contributions are tax deductible.

Thanks again for your decision to support our efforts, and with your contributions we can “Touch More Lives”.

## COMMUNITY SERVICE

Touch More Lives (TML) is an arm of Global Vision Ministries. An outreach working exclusively to reduce poverty and unemployment rate in Atlanta. Working to eliminate homelessness in our street and to provide hope to the hopeless.

Global Vision Ministries serves between 300 - 600 men, women, and children every week. Services offered include basic and emergency services for the homeless, transportation assistance, mental health counseling, employment training, preparation and placement, education, outreach and prevention, and community services.

## STAY INVOLVED

Partnership benefits are available to you as long as you remain an active partner. An active partner is someone who interacts with the ministry by calling or writing us, and sowing finances regularly within a 12-month period. After 12 months of no activity, your partner account will become inactive. This helps us to remain good stewards over that which ultimately belongs to the Lord, and also helps us to avoid inundating you with unwanted mail and other forms of communication. The more you interact with us, the more you empower us to help meet your spiritual needs and the needs of others. Also, be sure to keep us updated should your contact information change at any time.
